

Jennifer LaNasa Evans, CCIM

Associate Broker

HGI Realty LLC

I have approximately 30 years of experience in this industry both residential and commercial. I am a CCIM as of April 2014 and was appointed in 2008 – 2011 to the LREC. I volunteered on many committees, first being education, then agency, and advertising. If elected that same energy and experience can help the CID division of NOMAR. I have good relationships with the local chapter of CCIM along with LR and the LREC.
