

Jon Cerruti
Jack Stumpf & Associates

Having spent the past 2 years on the Board I can appreciate the opportunity to continue to serve my fellow Commercial practitioners.

While there are many of my peers who I am sure would do an excellent job, I would really appreciate the opportunity to continue my service for this next term.

I view each day as an opportunity to improve my industry and would be grateful for your vote.

.....

CID volunteer history on committees and task forces:

- Board of Directors for 2 years
- Bylaws Committee
- Education Committee
- Sponsorship Committee
