

Robert Hand, MBA, CCIM, SIOR
Louisiana Commercial Realty, LLC

I am volunteering for the CID Board of Directors to help guide the organization into the future and provide new and important benefits to its members.

My experience as president of the MSU Alumni Association and president of the New Orleans Financial Planning Association, along with my designations as an SIOR and CCIM, bring insight into the practice of commercial real estate and how to help organizations help their members.

CID volunteer history on committee(s) and task force(s):
