

## How to Get the App

On your iPhone or Android device please go to your Google play or App store and download SUPRA Ekey. Once the application is downloaded you will need to receive an authorization code from NOMAR staff or SUPRA to then key into the app to validate your account.

## Android Phones

Once the application has been downloaded on your Android phone you will not need any other devices to open a lockbox. The Bluetooth in your phone will talk directly to the Bluetooth enabled LockBox and release the key or shackle.

## Apple Devices

Once the application has been downloaded and authorized on your Apple phone you will need to purchase an adaptor for \$65.20 (\$65.50 at Mandeville office) from the one of the NOMAR offices.

**\*\*If you currently have an iPhone 3 or 4 with the adaptor below that you plug directly into the bottom of the phone and have upgraded to a newer version iPhone there are two options:\*\***

Old iPhone3 or 4 Supra  
Adaptor

1. Purchase the new Bluetooth enabled FOB 3 adaptor from NOMAR for \$65.20 (\$65.50 at Mandeville office) that wirelessly communicates through Bluetooth with your phone then sends the signal to the box.

iPhone5 or 6 SUPRA Adaptor

2. Purchase a lightning adaptor from Apple that will plug into the bottom of your new Apple 5 or 6 phone then you can plug the 30 pin SUPRA adaptor into the lightning adaptor to then communicate with the box. The lightning adaptor can be purchased for about \$30.00.

The white adaptor is Apple's lightning adaptor

The black adaptor is SUPRA's ekey adaptor

You will plug the supra 30 pin adaptor into the lightning adaptor then plug into your phone to use your key
