

## NEW ORLEANS MAYOR

### **Desiree Charbonnet (D)** *New Orleans Mayor*

Desiree Charbonnet has the vision, plan, and experience to be a great Mayor for New Orleans. As a Recorder of Mortgages, she grew to understand the ins and outs of the real estate industry. As a judge, she gained a reputation as someone who is thorough, conscientious, and fair. As a candidate for Mayor, she has pledged to work with all stakeholders on the important issues facing the city and she has demonstrated a willingness to listen to all sides of a policy proposal or important issue in order to make an informed decision on what is right for the people of New Orleans. Her inclusion of both the business community and non-profit organizations on affordable housing issues is exactly the approach the citizens of this city need and **NOMAR is proud to support Desiree Charbonnet for Mayor.**
